Dear,

I am interested in applying for the position of UX/UI designer at your company and would like you to consider me for the role.

I have a background in web development and experience of successfully designing a websites layout, usability and appearance. Over the last few years, I've had the opportunity of working for several web design and development companies, this has given me extensive web designing knowledge and technical skills.

A quick review of my attached resume will show that I have been involved in the creation of many websites. I also possess good communication skills and am comfortable working on projects as part of a team or individually.

Please free to contact me if you require clarification or any further information.

Thank you for watching my resume. I look forward to hearing from you.

Your sincerely,

THANH SANG LE
